## SHORTHAND REGULATIONS:

Competitors may enter for one or two consecutive speeds by paying the correct entry fee.

In the event of a competitor placing first in more than one speed that competitor will be awarded the cup for the higher speed only (provided the required minimum standard has been achieved) - and the cup awarded in the class at the lower speed in which that competitor also placed first will be awarded to the next best competitor in that class (again provided the required minimum standard has been achieved).

A person who has won a trophy MAY NOT compete at that SPEED again.

The dictation to be read with “full stops” and “Paragraph” dictated. Therefore, if they are not as dictated, they will be classed as an error. Although shorthand notes must be submitted with the transcription, they will not be marked. Transcriptions may be hand written or word processed.

### DISPLAY REGULATIONS:

Any person who has previously won a trophy in Classes 764 and 765, may not compete in that Class again.

In the event of a competitor placing first in more than one class, that competitor will be awarded the cup for the higher class only (provided the required minimum standard has been achieved) - and the cup will be awarded to the next best competitor in the lower class (again provided the required minimum standard has been achieved).

Time allowed is to be decided each year by the Adjudicator.

The trophy will be awarded to the competitor submitting the best paper in the class, provided he or she attains no less than 95%.

**All competitors must enter their name as a header or footer on all printouts or their work will not be marked.**
