Committee members: Darren Alderton, Stella Bowering,

Alison Castle, Claire Dawson, Mervyn Grand,

Trish Grover, Dan Madden, Jean Owen, Sol Phillips, Marilyn Pugh.

Adjudicator:

BEN COSTELLO

Ben Costello is a freelance musical director, singing coach, accompanist, and adjudicator, working internationally. He is also Artistic Director of Thames Concerts, Chorus Master for the Leith Hill Musical Festival, and a busy generalist music adjudicator for the British and International Federation of Festivals.

USE OF COPIES IN VOCAL CLASSES - PERMITTED IN ALL CLASSES

The committee has adopted an inclusion policy to encourage entrants who may feel inhibited by the need to memorize their songs. Although encouraged to sing from memory, this is not compulsory and no additional marks will be awarded. However the score may inhibit the communication of the performance and this may be reflected in the marks given. **This applies to all vocal classes.**

RULES AND REGULATIONS

In **Solo Classes**, a vocalist must keep strictly to one classified voice throughout the festival, i.e. a soprano in one solo competition may not enter as a mezzo-soprano or contralto in any other solo competition.

No person may compete more than once for a trophy in the Music sessions unless that trophy is offered for the best entry in several classes (the exceptions being musical composition classes and certain other classes where special conditions are mentioned).

In **'Own Choice' ensemble classes** a competitor may be allowed to compete more than once providing the piece sung/played is different.

Conductors are not permitted to sing **whilst conducting** with any choir or group.

In classes where a time limit is stated, competitors will either be disqualified or have marks deducted if the time limit is exceeded.

All senior ensemble classes must have 80% of members over the age of 18.

SESSION NOTES

Competitors must provide their own accompanists.

Music stands are not provided - however one stand will be available for solo performers if required.

Competitors are asked to arrange their own page turners.

In all junior and ensemble classes, please could all teachers and responsible adults ensure that backstage noise is kept to a minimum and ensure that all the dressing room doors are kept closed whilst other competitors are performing.

Competitors using props must be responsible for clearing the stage and the dressing rooms at the end of their classes.

The Festival organisers reserve the right to start at earlier or later times than those published in the programme.

Competitors should arrive at least 15 minutes before the start of the class and should make themselves known to the steward in attendance.

Any competitors who are unable to perform on the day must advise the Executive Officer before the start of the session.

Minors are the responsibility at all times of their Parent, Guardian or Teacher. The Guernsey Eisteddfod accepts no responsibility for unaccompanied children who leave the theatre.

No person(s) will be permitted on stage or allowed to remain in the wings during competitions other than competitors and authorised officials.

The Guernsey Eisteddfod will not be responsible for the loss of any articles of value left in the theatre - either backstage or front of house.

The Guernsey Eisteddfod does not accept responsibility for loss or damage to any instruments or any other personal property howsoever caused. Competitors should ensure that their instruments are fully insured when off home property.

Professional photographs might be taken during the music sessions and used in the Press and on the website. If you do not wish to have your photograph taken please advise the executive officer (Katherine Wegerer) in writing before the start of the Festival.

MARKING SYSTEM		
Grade	Mark	Criteria

H	84 – 86	Highly Commended – A convincing performance technically and artistically
D	87 – 89	Distinction – An excellent performance technically and artistically
O	90 +	Outstanding – An exceptional performance both technically and artistically

**A winning entry must gain at least 84 marks to qualify for the trophy.
The adjudicator's decision is final.**

PLATFORM PRESENTATION

Advice issued by the British Federation of Festivals

A Festival is an occasion when you want to do your best in every way. Platform deportment is a very important part of your performance. Competitors can greatly add to the enjoyment of competitive sessions by a pleasing and relaxed appearance.

A performer who is at ease on the platform puts the audience at ease.

Please acknowledge the applause of the audience!

Attention to the above helps a great deal to ensure an enjoyable competition and to help bring it to a higher standard of public performance.

Best wishes and every success!
